

University Student Handbook

Frequently Asked Questions

SECTION 1: ADMISSIONS

Q: What are the admission requirements for undergraduate programs?

A: Applicants must have completed secondary education with a minimum CGPA of 2.5, or equivalent qualification. English proficiency is required, with a minimum IELTS score of 6.0 or TOEFL score of 550 for international students.

Q: When is the application deadline?

A: Applications for the September intake close on 31 July. Applications for the February intake close on 31 December.

Q: What documents are required for application?

A: Applicants must submit certified academic transcripts, a copy of their identification document or passport, two passport-sized photographs, and proof of English proficiency (if applicable).

Q: Can international students apply for admission?

A: Yes, international students are welcome to apply. They must meet the same academic requirements as local students, in addition to English proficiency requirements and valid student visa/pass arrangements coordinated through the International Office.

Q: Is there an entrance interview or exam?

A: Most undergraduate programs do not require an entrance exam. However, certain specialized programs may require a portfolio review or interview as part of the admission process.

SECTION 2: FEES AND FINANCIAL AID

Q: What is the tuition fee for the Bachelor of Information Technology program?

A: The tuition fee for the BIT program is RM 45,000 for the full duration of study, payable in installments per semester.

Q: Are scholarships available?

A: Yes, the university offers Merit Scholarships (up to 50% tuition waiver for students with CGPA above 3.5) and Need-Based Financial Aid for eligible students. Applications must be submitted before the start of each academic year.

Q: What payment methods are accepted?

A: Tuition fees can be paid via bank transfer, online payment portal, or in-person at the finance office. Payment plans can be arranged with the Bursary Office.

Q: What happens if fees are not paid on time?

A: Students with overdue fees may have their course registration or examination results withheld until payment is settled. Students facing financial difficulty should contact the Bursary Office to discuss a

payment plan.

SECTION 3: COURSES AND PROGRAMS

Q: What courses are offered under the Bachelor of Information Technology (BIT) program?

A: The BIT program offers core courses including Programming Fundamentals, Data Structures and Algorithms, Database Systems, Artificial Intelligence, Knowledge Management Engineering, Software Engineering, Computer Networks, and Web Development, along with electives in areas such as Cybersecurity, Cloud Computing, and UI/UX Design.

Q: What is the duration of the BIT program?

A: The BIT program typically takes 3 to 4 years to complete for full-time students, depending on credit load per semester and elective choices.

Q: Are there specializations available within the BIT program?

A: Yes, students may choose specialization tracks in areas such as Artificial Intelligence and Data Science, Software Engineering, or Cybersecurity during their final two years of study.

Q: Is there a final year project requirement?

A: Yes, all BIT students must complete a final year project, which involves designing, developing, and presenting an original software or research-based solution under the supervision of an assigned lecturer.

Q: Can students switch programs or majors after enrollment?

A: Yes, students may apply to switch programs within the first two semesters, subject to meeting the entry requirements of the new program and approval from the Academic Office.

Q: Are internships part of the curriculum?

A: Yes, students are required to complete a minimum 12-week industrial internship, typically undertaken between the second and final year of study.

SECTION 4: ACADEMIC POLICIES

Q: How many credit hours are required to graduate with a BIT degree?

A: Students must complete a minimum of 120 credit hours, including core courses, electives, and a final year project, to graduate.

Q: What is the minimum CGPA required to remain in good academic standing?

A: Students must maintain a minimum CGPA of 2.0. Students falling below this threshold will be placed on academic probation.

Q: Can students defer a semester?

A: Yes, students may apply for deferment for a maximum of two consecutive semesters. A formal request must be submitted to the Academic Office at least four weeks before the semester begins.

Q: What is the policy on late assignment submissions?

A: Late submissions are penalized at 10% of the total marks per day, up to a maximum of 3 days late. Submissions later than 3 days will not be accepted unless supported by a valid medical certificate or documented emergency.

Q: What is the policy on academic dishonesty or plagiarism?

A: Academic dishonesty, including plagiarism and cheating, is taken seriously. First offenses may result in a zero mark for the affected assessment, while repeated or severe offenses can lead to suspension or expulsion, pending review by the Academic Integrity Board.

SECTION 5: CAMPUS FACILITIES AND SERVICES

Q: What are the library operating hours?

A: The main library is open from 8:00 AM to 10:00 PM on weekdays, and 9:00 AM to 6:00 PM on weekends.

Q: Is on-campus accommodation available?

A: Yes, the university provides on-campus dormitories with single and shared room options. Applications for accommodation should be submitted at least one month before the semester starts.

Q: Where can students seek counseling or mental health support?

A: The Student Wellness Center, located in Block C, offers free counseling services for enrolled students. Appointments can be booked through the student portal.

Q: What sports and recreational facilities are available on campus?

A: The campus features a multipurpose sports hall, an outdoor football field, a gymnasium, and several student clubs and societies for recreational and extracurricular activities.

SECTION 6: CONTACT INFORMATION

Q: How can students contact the Academic Office?

A: The Academic Office can be reached via email at academic@university.edu.my or by phone at 03-1234-5678, Monday to Friday, 9:00 AM to 5:00 PM.

Q: Who do students contact for IT support?

A: For IT-related issues (portal access, email, Wi-Fi), students can contact the IT Helpdesk at ithelp@university.edu.my or visit the IT office in Block A.

Q: Who should students contact regarding internship placements?

A: Students should contact the Career and Industry Relations Office at careers@university.edu.my for assistance with internship placements and industry partnerships.
